

YEAR 7 CATCH UP GRANT 2016-17

1. Summary information						
Westfield school						
Total Year 7 Catch Up Budget = £16,471				Total number of Year 7 pupils: 100		
2. Current attainment						
KS2 SATs Data 2016: 71 pupils working towards the national standard reading 21 pupils working towards the national standard writing 69 pupils working towards the national standard maths						
3. Barriers to future attainment (for pupils eligible for Y7 catch-up funding)						
Poor literacy skills are a barrier to these Y7 pupils' future attainment in English and other areas of the secondary curriculum. Poor maths skills are a barrier to these Y7 pupils gaining a GCSE Maths qualification. Low self-esteem and confidence can affect these Y7 pupils' participation in school life.						
4. Desired outcomes (desired outcomes and how they will be measured)						
Literacy skills improve			The gap between these pupils and their peers closes. Assessment data monitored at key assessment points.			
Maths skills improve			The gap between these pupils and their peers closes and maths life skills are gained. Assessment data monitored at key assessment points.			
Self-esteem and confidence improve			These Y7 pupils grow in confidence and participate in a range of events. To be monitored at key assessment points.			
5. Planned expenditure 2016-17						
Desired outcome	Chosen action / approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	Cost	When will you review implementation?
Literacy skills improve	Contribution to the cost of staffing in Y7 with pupils taught English in small mixed ability teaching	Y7 English class sizes will be kept small in order to deliver first quality feedback to our pupils. This is supported by	Monitored by Head of English	EK	£7714.88	Assessment points in December, April and July 2016/17

	groups Interventions for reading and writing in the summer term After school interventions. Contribution to AR.	evidence from the Sutton Trust – EEF toolkit’s research into reduced class sizes and effective feedback Reading and writing interventions summer term				
Maths skills improve	Contribution to the cost of staffing in Y7 with pupils taught Maths in small mixed ability teaching groups Interventions for maths in the summer term. Contribution to the subscription of MyMaths.	By employing an additional maths teacher we aim to deliver first quality teaching and ensure effective feedback is given to each Y7 pupil. Maths teacher will deliver small group interventions to pupils in the summer term. This is supported by research from EEF regarding the effectiveness of short term, small group interventions.	Monitored by Head of Maths		£7479.26	Assessment point December , April and July 2016/17
Self-esteem and confidence improve	Y7 Self Esteem Workshops	Working with our Enrichment Centre to deliver a focused self-esteem workshop.	Feedback gathered from staff and pupils.		£1276.86	September 2017
Costs					£16471
